

Towards 2015 – The Lewes Passion

'A focus group to facilitate and develop Lewes Passion Play 2015 and thereby extend Christian unity through artistic and social activities within the wider community'

Nov. 2010

Welcome to the new group

FROM THE CHAIR

Welcome to the first edition of the bulletin for 'Towards 2015', the year set for the next Lewes Town Passion Play.

Many of you will know that after the success of the Passion Play this year lots of people wanted to put on another one, so, after debate, another version is to be anticipated for 2015.

During the next five years it is our hope that we can build on the wonderful 'togetherness' that was achieved with Lewes Passion 2010 by creating a series of artistic and social events for everyone to get involved in, for funds to be raised and for the Christian spirit to be shared amongst our churches and wider community. The foundation focus group is about twelve strong to date with a good range of Churches being represented.

A variety of exciting suggestions have been put forward for activities which we will outline in the next newsletter. As we begin planning we do hope you will support us in prayer and that over the next few months you will wish to join us in some capacity to get this exciting project launched and underway.

A budget of £20,000 has been set based on this year's costs, and subsidies. This gives us a challenge, but one which we reckon is worth taking up to enable the Passion of Christ to come to Lewes in a dramatic way for all!
